## SPECIAL INTEREST GROUP MEETING WITH NO CE/CME INSTRUCTIONS Submission Dates: May 23-July 15

Before you begin the submission process, carefully read the following:

- These sessions are one (1) hour (60 minutes) long and **do not** offer CME/CE.
- SIGs interested in presenting an educational session that offers CME/CE in addition to their one (1) hour non-CME/CE SIG meeting are encouraged to submit an additional proposal for a 1½ hour (90 minutes) workshop session or a three (3) hour institute session. **Acceptance of a SIG Workshop or Institute is not guaranteed and is at the sole discretion of the committee. Please see submission information for a Workshop or Institute here (insert link).**
- Only currently established SIGs are eligible to submit a proposal for the annual meeting. For a complete listing of existing SIGS, visit the [SAHM SIG webpage](#) for a listing of established SIGs as well as information on how to form a new SIG.

- All presenting organizers are required to register to attend the meeting at the standard rates based on training and membership status. No registration discounts or waivers will be given.
- Proofreading is the responsibility of the submitting organizer. Review and proofread your submissions carefully.
- From the summary page, you will be able to click “Edit” for any of the sections you wish to review/change
- Submissions can be edited until the deadline
- Click “FINALIZE” to close your summary page.
- Your proposal will not be considered for presentation unless all required fields are completed and your submission has been finalized
